Want to Support Us?

We do not charge any fees for this service but would like to mention that we are only able to work for animals thanks to the kind donations we receive from supporters. You can learn more about our work and the animals we help on www.resqct.org.

If you like what we do and would like to extend that support beyond your lifetime, you may like to include RESQ Charitable Trust in your Will Testament. We, and thousands of other animals whose lives RESQ touches, will be grateful for your kindness!

To include us in your last wishes, kindly use the following phrasing:

“I bequeath _____ (monetary amount/any other property) to RESQ Charitable Trust for purposes of carrying forward their functions with respect to their values, such as helping animals through direct action; promoting harmonious co-existence between humans and animals; providing superior quality medical care to un-owned animals; and try to make the largest number of people as active as possible.”

We also understand that your circumstances and wishes may change after you have completed your Will. And in that case, you can absolutely make such changes or even replace the old Will and sign a new one as per Indian laws on Will and Testaments.
